HOW IT WORKS

MATCH 4 NUMBERS
AND WIN UP TO
£10,000

You will be allocated four Spire Lotto numbers. A total of £500 will be added to the jackpot prize fund on a weekly basis. If your four numbers match the four numbers drawn, you will win the jackpot prize fund as it stands that week. If nobody matches the four numbers drawn, the prize fund will rollover to the following week.

If the prize fund reaches £10,000 and nobody has matched the four numbers drawn, continuous draws will be made until there is a winner.

MATCH 3 NUMBERS
AND WIN A SHARE OF
£500

Each week, £500 will be divided between the people matching three numbers out of the four drawn.
