TESTIMONIAL

We have sponsored Chesterfield Football Club for several years now.

They are always a pleasure to deal with very respectful polite and not pushy at all. No pressure at all you can discuss and decide at your leisure which sponsorship would suit you. Then they will put everything in place for you.

Matchdays are a fabulous experience starting with arrival at the VIP Hospitality lounge. Meet and greet with all the wonderful staff at Chesterfield whom nothing is too much trouble.

We have sponsored The Matchball, Programme and Captain and with this sponsorship we have had photographs with the team after the match who are also very down to earth and a pleasure to meet.
