

HOW TO DOWNLOAD YOUR TICKET TO YOUR APPLE WALLET

SINGLE MATCH TICKETS

STEP 1:

To ensure your iPhone/Apple Watch is compatible with NFC Digital Ticketing you must install the most recent IOS and WatchOS.

STEP 2:

Ensure Apple Wallet is installed

Before downloading your Pass, ensure your Apple Wallet is installed on your iPhone/Apple Watch.

If not, you will need to re-download this from the App Store.

STEP 3:

Check your emails

Before the fixture you will receive an email with a link to download your Mobile Pass to your Apple Wallet.

Keep an eye on your emails and [download your Pass](#).

STEP 4:

Download your pass

Once you have received your email, you will see a button within the email asking you to 'Add to Apple Wallet'.

Hit this button and follow the onscreen instructions, then press 'Add'.

If you have an Apple Watch, your NFC Digital Ticket will automatically be added there also.

STEP 5:

Check your mobile pass is stored in your wallet

Click on the Wallet icon to open your Apple Wallet to ensure your pass is visible and your details are correct.

So your mobile pass is valid and correct make sure you have automatic updates turned on.

You're all done!

Your digital ticket will now be available on your home screen upon arrival at the Stadium!

We look forward to welcoming you. Please ensure you arrive with ample time to enter the SMH Group Stadium!
