Getting to the Ground

Stadium Address

The Exercise Stadium Wetherby
Road, Harrogate HG2 7SA

Travelling by Car

From the North and South, leave the A1(M) at Junction 47 and take the A59 towards Knaresborough. Then take the A658 towards Bradford/Harrogate. At the second roundabout turn right onto the A661 towards Harrogate. You will pass a Sainsburys, then carry straight on at the lights with the Woodlands pub on one corner. The entrance to the ground is just a bit further down on the right. Please note that traffic can be quite congested along the A661, so you may wish to allow more time for your journey.

Coming to The Exercise Stadium by car is certainly possible, and there is street parking around the ground but respect for residents should be maintained. Also, please be aware that parking restrictions apply in some areas and limit stays to two hours.

Travelling by Train

Coming by train takes you to Harrogate Station, served by Northern Rail, and is near to the town centre.

Walking from there, across the Stray and to the ground takes around 20 minutes. Hornbeam Park, the next stop on the line south of Harrogate Station, is a 25-minute walk away from Wetherby Road to the southwest.

Starbeck Station is also on the same line and roughly a 20-minute walk northeast of the ground.

For buses, your best route is to use the Number 7 service, that runs to the football ground from Harrogate Bus Station (next to the railway station) and stops outside Wetherby Road on its way to Leeds City Centre. Getting to the ground early means you can make the most of your day at Harrogate Town. We recommend you plan to arrive at the ground at least 45 minutes before the start of the game.

Public Transport

Travelling by Bus

The Harrogate Bus Company

It's only £2 for adults and £1 for kids on the number 7 which stops right outside The Exercise Stadium every 30 minutes.

Directions to Parking Area

From the A1 take the A661 and turn Left at the traffic Lights onto Hookstone Drive. Then turn left onto Hookstone Wood Road, follow the road until you reach the Large car park located within the sports centre.

Fans with disabilities or walking difficulties
